

# Yale Energy Studies Multidisciplinary Academic Program

## APPLICATION FOR FALL 2022 ENROLLMENT

DEADLINE FOR APPLICATIONS: MONDAY, OCTOBER 31, 2022

RESPONSES TO APPLICANTS BY DECEMBER 9, 2022

Application to Energy Studies is normally made by students in the fall term of sophomore year. For this Fall 2022 enrollment, applications are nominally limited to the Class of 2025. but because of the disruptions of the past two years, enrollment by juniors and seniors with a credible plan to complete the program will be allowed.

For more information on Energy Studies, go to: [earth.yale.edu/energy-studies](http://earth.yale.edu/energy-studies).

**Fill in your personal information below, then complete the remaining sections.**

**Instructions for submitting the application are at the end of this form.**

### PERSONAL INFORMATION

|                       |                      |                        |                      |
|-----------------------|----------------------|------------------------|----------------------|
| Name:                 | <input type="text"/> | Year of Graduation:    | <input type="text"/> |
| E-mail:               | <input type="text"/> | Student ID# (9 digit): | <input type="text"/> |
| Major (or Undecided): | <input type="text"/> | Residential College:   | <input type="text"/> |

### COURSES

LIST UP TO 6 COURSES dealing with the subject of energy in the table provided below (fewer than 6 is acceptable). These should be courses which you have completed, are currently enrolled in, or are hoping to take. For example,

EPS 275, Renewable Energy  
ECON 330, Economics of Natural Resources

Courses do not have to be among those listed on the Energy Studies website. Include any course which you believe is relevant to the study of energy. This list is not a commitment on your part, only an indication of your interests.

| Course Number, Course Title, Term |
|-----------------------------------|
| <input type="text"/>              |

### FACULTY CONTACT

PROVIDE THE NAME OF A YALE FACULTY OR STAFF MEMBER whom the program can contact about your work.

*Energy Studies does not require a written recommendation at this time.*

|             |                      |
|-------------|----------------------|
| Name:       | <input type="text"/> |
| Department: | <input type="text"/> |
| E-mail:     | <input type="text"/> |

## PERSONAL STATEMENT

DESCRIBE YOUR INTEREST in Energy Studies in the box below. Possible items to mention are: a specific area of interest in energy or its impacts (such as climate change), experience in an internship or study program, or goals which you hope to achieve with Energy Studies. *A short, clear statement is ideal.* The program welcomes both students whose plans have crystallized and those who are looking to explore new areas. **(200 words maximum)**

---

## SUBMITTING YOUR APPLICATION

**Your application consists of this completed form plus a copy of an updated Degree Audit.**

Check with your residential college dean's office if you do not know how to get a copy of your Degree Audit.

Save this completed form with the filename

YourLastName-EnergyStudies-F22.pdf

(Example: Oristaglio-EnergyStudies-F22.pdf).

**Send the completed form along with a PDF of your Degree Audit**

**[michael.oristaglio@yale.edu](mailto:michael.oristaglio@yale.edu) with the subject line: ENERGY STUDIES Application.**

**The provisional deadline for application is Friday, October 31, 2022.**

*Applicants will be notified about the status of applications by end of the Fall term.*

Questions? E-mail [michael.oristaglio@yale.edu](mailto:michael.oristaglio@yale.edu) with the subject line: ENERGY STUDIES
